Why E-commerce Brands Struggle to Scale

Many D2Cbrandsexperiencerapidrevenuegrowthwhileprofitsmysteriouslyshrink.Theculprit?Hiddeninefficiencies that scale with every campaign.

> Scaling ads without fixing revenue leaks only scales losses.

Rising CAC

Customer acquisition costs climb as markets saturate

Ad Fatigue

Diminishing returns on paid channels without optimization

Weak Conversion

Funnel drops erode campaign ROI at every stage

No Retention

One-time buyers without repeat purchase systems
